MEMORANDUM FOR: Assistant Director for Current Intelligence

SUBJECT: Special Intelligence Clearance for Mr. Horatio
Gates Lloyd

1. It is requested that arrangements be made for a full Special Intelligence Clearance for Mr. Lloyd, if possible in sufficient time to permit him to be conducted on his complete indoctrination within the Deputy Director (Intelligence) area, beginning on 2 September 1954.

2. As the new Assistant Deputy Director (Administration), it is anticipated that Mr. Lloyd will require this clearance from time to time in the execution of his responsibilities. I am advised that he had had an administrative Special Intelligence Clearance in his former position as Chief, Economic Division, PP Staff, and that this clearance is current.
